Dear Parents / Carers,

On **Wednesday 12th November**, we will be having an exciting relaunch of Times Table Rock Stars. Multiplication and division are part of the key building blocks when learning maths so our aim is to ensure all children have the opportunity to develop these recall skills. TTRS makes learning times tables fun which helps us encourage children to enjoy learning maths.

As part of the TTRS day, children can come to school dressed as their TTRS avatar or as any rockstar. The day will start with an assembly for the whole school, in which we will have some staff and children completing times table challenges live! Following this, there will be various times tables and TTRS-related games and activities that the children will be doing in class. There will also be certificates given out to the 'best-dressed' rockstar at the end of the day.

Please encourage your child to use TTRS over the half term, not only to practise their times tables but to earn coins to improve their avatar!

If you have any questions, please contact me and I will be happy to answer them.

Kind regards,

Mrs Colton
Maths Subject Lead
